Dear Miss Ford:-

Your letter of June 10th is received.

We have no vacancy in our Expression Department. However, I am glad to have heard from you because I like to know of people who are open for positions.

I am pleased, too, that our two former graduates, Misses Murphree and Sellers, had the pleasure of knowing you in Boston.

I shall tell Professor Calkins about having heard from you.

With highest personal regards, I am

Very truly yours,
