Mr. E. H. Wills,  
Business Manager,  
Alabama College,  
Montevallo, Ala.

Dear Mr. Wills:

I would like to call your attention  
to the fact, that the milk cans are not being  
properly cleaned at the kitchen before their return  
to the dairy. Please, have all cans returned  
to the dairy free of any milk whatever.  
Conditions at the dairy were very good.

Yours very truly,  
U. D. Franklin  
State Dairy Milk Inspector.

Referred to Miss Irwin +  
Suggested that she + Mr. Bailey  
get together on this proposition.  
Also saw Mr. Bailey and re-  
quested that he go to Miss  
Irwin about it.
