COMMISSIONER

April 28, 1927.

Mr. E H Wills
Business Manager, Alabama College
Montevallo, Alabama.

My dear Sir:

If you have squirrels in your possession, it will be all right for you to keep them caged until such time as is necessary to get them acquainted with the campus.

The season for taking squirrels closed February 1st, and you could not now take squirrels legally until the season opens up in the Fall.

If at any time I can be of service to you, please command me.

Very truly yours,

I. T. Quinn
I T Quinn, Commissioner.
